

Black Belt Golf Academy

DEVELOPMENT PROGRAM

The Black Belt Golf Academy has been designed specifically to offer a year round, fun, yet intense instructional program for our beginner junior golfers at Indian Creek. It is intended to develop our young junior golfers ability, knowledge, rules, etiquette and both on and off-course behavior. This program is taught by Black Belt Golf Academy Lead Instructor, Rob Sanders, PGA (rob5966@yahoo.com) (214-207-0625)

The Development Level of the Black Belt Golf Academy has two levels:

****Developmental Level**

****Advanced Developmental Level**

The “Black Belt Junior Golf Program” is used as the platform for improvement in the Black Belt Golf Academy. This program is very similar to that of martial arts. Graduation to the “competition” level of the academy is the ultimate goal. This program will utilize the original “colored hat system” that Bruce Smith developed through his knowledge of martial arts to measure progress and growth in the game of golf through the program. We invite you to watch the CBS Sports Special on Bruce Smith’s Black Belt Golf Academy Program. It can be found on google at “Bruce Smith Golf” then click on “CBS Feature of PGA Professional Bruce Smith” to learn more about this unique program.
